

Support for Learning

Coming to college for the first time can seem like a big step.

But we are here to help and support you every step of the way.

We could help support you with

- Curriculum work inside or outside the classroom e.g. numeracy/reading and writing
- Mobility and personal care (including medical support)
- Specialist equipment
- Adapted or modified learning materials
- Dyslexia support
- Examination concessions such as extra time or special facilities
- Communicators for hearing impaired learners
- Counselling and support

Help can be given to anyone with a learning difficulty/disability.
