

East Durham College Houghall Campus Kit 2017-18

East Durham College will provide you with personal protective equipment at the cost shown overleaf (in some cases this will be reduced by up to 75%), this can be used throughout your course. This personal equipment can then be used when you find work in your vocational area.

You may be able to get help towards the cost of the equipment/uniform. To be eligible for help you (or your Parents/Guardians) must apply for financial support on the form provided.

IMPORTANT

- If you **are** eligible for help you must pay the **Contribution**, as stated below in full. That will be the total contribution required from you.
- If you **are not** eligible for assistance you will have to pay the **Full Cost** listed below.

N.B. If you leave the course early you will be asked to return all or part of the kit or be required to pay in full the total cost of the equipment
